# FEEL

El concepto minimalista se hace presente en la serie “FEEL”, fabricada en tubo cuadrado en acabado inox pulido brillante, permite la creación de múltiples elementos como estanterías modulares, percheros móviles y anclados a pared, paragüeros, carros auxiliares,... el complemento ideal para el equipamiento de oficinas, halls,...

We also offer you some complements for multiple spaces and various uses. Since a subtle shelf, to a series of racks or an auxiliary trolley. All of it is produced in polished stainless steel tube of the maximum quality and durability. The shelves of polycarbonate are glazed in current colors. Let yourself be seduced by its minimalism.
